"Certificate of Registration and Recorded Blood Seals are on file with the Vatican Chancery Court, recognized as the Supreme Court of Record and Equity Claims. The Roman Curia is tasked with safeguarding my Claim of Life and Redeemed Estate, and ensuring accountability from every member of the American Bar Association, the British Bar Association, and the City of Westminster, all of whom are bound to provide 'perpetual peace and amity' as 'ally' under the 'protection' of the British Crown in perpetuity."

Gary McAlister And Fowler DEI GRATIA, REX NOSTER REGNUM, PROTECTOR DE IMPERIUM, DEFENSORE LEX ET SERVUS POPULI, OMNIBUS FIDELIBUS PATRIAE, IN NOMINE UNIUS VERI DIVINI CREATORIS, AETERNI SALUTEM: [2018]

WHEREAS The One True Divine Creator and Owner of All Existence as The Absolute, the Almighty, the Alpha and Omega, did *give, grant* and *convey* unto Us as Divine Immortal Spirit certain *peremptory, permanent, eternal, immutable* and *indefeasible* Divine Rights, expressed in Trust to the Office of Man of our Mind as sovereign over Our circumscribed Living Flesh upon the soil of Our lands in accord with the Rights of Natural Justice as prescribed by the most sacred covenant *Pactum de Singularis Caelum* and the most sacred charter *Cartae Sacrorum De Congregatio Globus;* and **Whereas** We did make, ordain, publish and pronounce a most sacred covenant, true memorial and accurate record, before witnesses, the formal recital of Our Testament and the expression of Our Will, of all associated Persons and did revoke all prior Testaments, Wills and Codicils; and **Whereas** it is encumbered upon Us to demonstrate exemplary *honesty, fidelity, virtue, justice, humility, charity* and *prudence* in all Our actions, to ensure the proper administration of Our affairs, the proper government of Our entire Superior Estate and the dutiful obedience of all who are subject to Our laws and Our jurisdiction; and **Whereas** We did vouchsafe and did nominate and elect by unanimous acclamation Our *valet* Gary McAlister And Fowler to be Our ecclesiastical, lawful and legal General Executor; and **Whereas** Gary McAlister And Fowler as *iunior* did humbly commit himself by Sacred and Solemn Oath to Our authority as his Lord and *patronus;* and **Whereas** Gary McAlister And Fowler has been so duly and properly invested into Sacred Office that no man, person, entity or spiritual force may rightfully challenge, We hereby dedicate and memorialize such Divine Commission and do ordain, establish, grant and agree to the associated gifts, titles, authorities and powers prescribed by the Form herein:

by Letters Patent under Great Seal by the General Executor as Official Correspondence any competent Person invested into Office under Oath of a foreign State, Entity or Corporation as Fiduciary providing written evidence exists that such a Person has demonstrated a past or present willingness to engage in the Affairs of the Estate.

CAP. VI.

Agency Powers and Jurisdiction

I. Full Diplomatic Power herein granted shall be vested in the Minister-General as both Mendicant Minister and Plenipotentiary when a duly invested Minister-General swears publicly three (3) times a solemn and sacred Oath to Poverty, Self-Restraint and Obedience in accordance with *Astrum Iuris Divini Canonum* being the Divine and Absolute Canons of the Living Law of the One True Divine Creator; and **II**. The Minister-General as Plenipotentiary by definition disavows any claim of being of the Roman World of "Mundus" and associated attachments to things of persons, debt, ownership, money, possessions or death and therefore jurisdiction of holy orders claiming jurisdiction over such matters. Therefore, by Roman Law, Western Law and the highest International Law, a valid Minister-General as an Apostolic Mendicant Minister is beyond the jurisdiction of any juridic person, state or associate corporate entity; and **III**. By definition, excluding any valid copy of this instrument, a Minister-General as Apostolic Mendicant Minister and Plenipotentiary makes his status and standing known through auricular advocacy, not written presentation. Furthermore, a Minister-General makes their standing known through the profession *Sum in mundo, non de mundo* (I am in the World, not of the World); and **IV**. When through auricular advocacy a Minister-General professes their status as an Apostolic Mendicant Minister then they speak not only as the highest possible office holder for the entire estate, but simultaneously as a man and simultaneously *ex cathedra* as the One True Divine Creator; and

CAP. VII.

Property, Instruments, Draft, Fees and Securities

I. The Minister-General through the advice and consent of the General Executor and Guardian is empowered with the rights and authority to grant by warrant and letters patent to Beneficiaries, Fiduciaries or Agents one or more of those rights possessed by the Estate, whether or not the associated property is in direct possession of the Estate; and **II**. The Minister-General is empowered with the rights and authority to issue financial instruments such as Negotiable Instruments and Drafts to create funds for the effective administration of the Estate, including the proper securitization of such instruments; and **III**. The Minister-General is directed to devise and post a Schedule of

Fees and Compensation for official business conducted for and on behalf of the Estate reflecting accepted professional and fair rates of expenses and compensation.

CAP. VIII.

International Recognition, Treaties and Recoveries

I. The General Executor through the appointment of the Minister-General as Plenipotentiary and Diplomatic Representative is empowered with establishing international recognition of the Estate and the establishment of any public or private international treaties of peace, good will and trade with foreign estates or their associated corporate entities; and **II**. Where certain Property or Rights belonging to the Estate is held, possessed or claimed for use by a foreign State that refuses to acknowledge its own laws and refuses to enter into any formal treaty of peace and good will, the General Executor is empowered to use any and all international means of recovery of such Property or Rights.

In Witness whereof we have caused these our Letters to be made Patent:

Trustor and Testator,

Ronald W.

CLAIM OF RIGHT SECURITY AGREEMENT No. GMT0001-SA

i Gary-McAlister: Terry by way of "Power of Appointment", Appoint all agents and principals currently administering the 3 trusts that I am the rightful heir and successor, and they have my direct approval to start immediately by restoring and reallocating the yearly recoupment payment to Gary McAlister Directly in the manner of approximately $240k per annum and also the Trustee Fee of $240k per annum to be paid directly into his Commonwealth of Australia Bank Account Ledger. Under this Power Of Appointment, I Appoint The Commonwealth Bank of Australia to accept and process on the Private side any and all Bills Of Exchange that Gary McAlister Terry scribes and processors the cash receipts into a new Private Account. I also Appoint the QTC Queensland Treasury Corporation and the Federal Treasury of Australia to Assist the Commonwealth Bank in these matters to allow smooth transactions.
So Said So Signed and So Ordered.

Those who currently Administer the Trusts will make themselves known to myself so that we can come to an agreement on the amount of the claim, recoupment, restitution and payment schedule spread out over the forthcoming years.

TRUST 1:
The "intestate" Australian and New Zealander Infant Decedent Estates that were purportedly waived on behalf of infants in their cradles -- without the nicety of disclosure to the Mothers or later disclosure making these foreign citizenship contracts conscionable to the victims.

TRUST 2:
The "intestate" Seaman's Estates subsequently established on behalf of nonexistent British Merchant Mariners operated in "in our names" -- which were purloined and copyrighted by the British Crown Corp as a result of the aforementioned undisclosed, illegal and immoral registration of Australian babies as British Territorial A.U. Citizens.

TRUST 3:
The "intestate" Roman Inferior Municipal trusts set up as Cestui Que Vie trusts also "in our names" for the benefit of "citizens of Australia and New Zealand" presumed to exist and to voluntarily accept this foreign political status. The whole enchilada has to be returned to the living people to whom all these assets and beneficial interests belong, and to the administration of their lawful Heir and Successor. This is the actual Law and what the actual Law demands

CLAIM OF RIGHT SECURITY AGREEMENT No. GMT0001-SA

Severability. In the event that a court of original and general jurisdiction at common law, such as an Article III court of justice arising under the Constitution of the United States of America, 1787, with the Bill of Rights of 1791 as lawfully amended by the qualified Electors of the several States of this American Union, and laws of the *de jure* United States of America, and such as a court of justice in accordance with the course of the common law arising under the Constitution of the Australia, as amended by the qualified Electors of said Australia and the laws of the *de jure* Australia, judicially determines that any part of this Security Agreement, including any amendment, addendum, and revision, is unacceptable for any reason, such as on the basis of being unlawful, invalid, void, unenforceable, and the like, such provision is thereby severed from this Security Agreement, but every remaining provision continues in full force and effect and may not be affected by such determination. If feasible, any such offending provision is deemed modified for inclusion within the limits of enforceability and validity. In the event that the offending provision cannot be so modified, said offending provision is thereby stricken and any other provisions of this Security Agreement in any other respects remain valid and enforceable by Secured Party.

Waiver. Secured Party may not be construed as waiving any rights under this Security Agreement unless such waiver is given in writing and signed by Secured Party. Neither delay nor omission on the part of Secured Party in exercising any right may operate as a waiver neither of such right nor of any other right. A waiver by Secured Party of a provision of this Security Agreement neither prejudices, nor constitutes a waiver of, Secured Party's right for otherwise demanding strict compliance with that provision, and any other provision, of this Security Agreement. Neither prior waiver by Secured Party, nor any course of dealing between Secured Party and Debtor, may constitute a waiver of any of Secured Party's rights, nor of any of Debtor's obligations re any future transactions. Whenever the consent of Secured Party is required under this Security Agreement, the granting of such consent by Secured Party in any instance may not be construed as constituting continuing consent for subsequent instances where such consent is required and in any cases such consent may be granted and withheld in the sole discretion of Secured Party.

This Security Agreement is not dischargeable in bankruptcy court. Secured Party is Entitlement holder of any negotiable instrument referencing, bearing upon, and deriving from any property and Collateral referenced herein. Debtor acknowledges that Collateral is exempt from levy and a third-party lien.

This Security Agreement herewith expressly includes and encompasses any Security Entitlement right, right, legal title, equitable title, and interest in any property described above in the Collateral section of this Security Agreement.

Debtor acknowledges, consents, and agrees with all the provisions of this Security Agreement and agrees that Debtor is bound by all terms and conditions as stated herein.

I have brought my claim of life before the Vatican Chancery Court and redeemed my ESTATE; having overcome all claims of beneficial interest and all claims of controlling interest, I have presented myself as the unique beneficiary of all ESTATE assets, which are owed to me. Every single member of the American Bar Association and the British Bar Association and the entire City State of Westminster owes me "perpetual peace and amity" as an "ally" owed the "protection" of the British Crown "in perpetuity".

Gary McAlister Terry Financial Instrument Art Series: **(artistically known as "a McAlister")**
Born in New Zealand and adopted at birth by his mother's sister, Gary McAlister Terry crossed the Tasman to Australia in 1981 at the age of 12. He attended Brisbane State High School, earning his Junior Certificate before diving into sound engineering under the mentorship of his brother Paul and uncle George.

Through the 1990s and 2000s McAlister turned his restless ingenuity toward renewable energy, designing and prototyping tidal, magnetic, compression, and gravity-driven machines. During the same era he began sketching the conceptual framework for a kW/h-backed currency — an energy-unit standard that predated most modern tokenised-asset thinking by well over a decade. He entered the cryptocurrency frontier in 2013 as an early Bitcoin adopter. In 2014 he launched Bankcoin and founded Bankcoin Reserve, one of the first serious attempts to create a decentralised, asset-backed reserve currency in the crypto space.

Now, McAlister has evolved beyond invention into a singular artistic practice. Under the **Financial Instrument Art Series**, each hand-crafted, limited-edition work is simultaneously a museum-grade art object, a functioning credit-issuing instrument, and a blockchain-native financial primitive. These pieces collapse the boundary between gallery wall and balance sheet, allowing collectors to own beauty while participating directly in the credit-issuer layer of tomorrow's financial system.

A largely self-taught engineer, composer, currency theorist, and visual artist, McAlister remains an independent outsider operating at the uncharted overlap of energy, money, and meaning. His life's work — from gravity machines to gallery walls — continues to ask one unrelenting question: *What is value, and who gets to create it?* His sister Sheryl was the true inspiration for this Art Series as it has so many beautiful independent elements in their own right that it just had to be shared.

Sovereignty Certificate

(The Padma foundation [TF] trust instruments)*
Oxford spelling and thistoorly coded

On the Thirtieth day of the Fifth month in the year Two Thousand and Eighteen, common era i, Lord Kyle Lester. Sheridan as Exchangor/Grantor, the document certified trust certificate holder of The Padma foundation after receiving it in fidelity ceremony (Art. I, § 1 TAf trust provisions), do hereby in physical sight recognition of their humanity grant sovereignty by this Deed unto Grantee; Gary McAlister, Fowler who is now entitled as

Lord Gary McAlister, Fowler

The Sovereignty Certification hereof is retroactive from birth resolving all licence privileges of use (licences) torts from then. In addition, sovereignty also makes the individual Lord andor Lady Sovereign entitling them unto their rightful singular birthright as a human being. Plurality of rights does not exist in a contract law society. Instead, humankind has the single birthright having everything bestowed upon them by their society. As of Grace by the Sovereign Himself (1 Blackstone's Commentaries 242) AGbSH (ag besh) also is regained in enacted sovereignty (*contracted as opposed unto ordained in birth alone*) andor the freedom of choice in any contract matter. When a society uses a medium-of-exchange (money) that is best evidence it is a contract one. Hence, without a written contracted (two signatures) sovereignty certificate, the individual is a mere beast of the field less than the strawman andor non-sovereign. The factor occurs as of a contract society causing the lack of sovereignty certification sensate animalistic state. In a contractless society, the individual would be ordained sovereign by birth without concern being an animal only. Sovereign means "Soul Reign" without any spiritual connotations, as the proper republic separates spirituality and politics (*disestablishmentarianism*). Sovereignty also makes the individual a legal practitioner of his licences issued by the proper government created by the trust foundation. Without enacted sovereignty certification, the individual used his licences in an illegal manner. The Lord/Lady Sovereign has the privilege of using trust foundation written instruments that include Allodial titles (*proper original land titles*), Plea in Bar (*defeating any legal challenge at merit*), Letters of credit, Law suit (*redress of grievance*), Liens, (*tax, land, personal, etc.*), Letter of Rogatory (*reciprocal response in any issue*), Uniform Commercial Code (UCc) Remedy e.g., UCc 1-308 (*signature qualifier and courtroom remedy*) 3-503, 3-504, 3-505 (*Notice of Dishonour*) and not excluding any other lawful instrument including the creation of government, their laws and all necessary entities thereof. The Uniform Commercial code (UCc) is foundation law created by the latter.
